## Newsletter e-Invoicing the public sector

### Newsletter e-Invoicing the public sector

Sehr geehrte Abonnementin, sehr geehrter Abonnent!

### Status E-RECHNUNG.GV.AT

Up to now more than **580.000** e-Invoices were delivered by more than 30.000 contracting partners. Though e-Invoicing the government became well established and a routine to the recipients and many suppliers.

In August 2014 the site [www.erb.gv.at](http://www.erb.gv.at) was rebranded to E-**RECHNUNG**.GV.AT due to the new settled clearing service. This service provides an opportunity for other public sector institutions to easily obtain a solution for receiving e-Invoices at low costs using the existing services of the federal government. The new official web site is now [www.e-rechnung.gv.at](http://www.e-rechnung.gv.at) - the old site [www.erb.gv.at](http://www.erb.gv.at) is still reachable.

### Changes as of December 1<sup>st</sup> 2014

As of **December 1<sup>st</sup> 2014** new rules on e-Invoices transmitted by **web service** or **uploaded** in E-**RECHNUNG**.GV.AT will take effect.

**Note:** the upcoming mandatory data can already be used right now. As of December 1<sup>st</sup> 2014 e-Invoices not complying with those requirements will be **rejected**.

### Invoice recipient

Within the structured formats (ebInterface, PEPPOL-UBL) the recipient data fields for "street and building number", "zip code", "town" and "country" will be made mandatory. Verification of data will be effective for invoices submitted by web service or upload starting by December 1<sup>st</sup> 2014.

Within **ebInterface** (all versions) the following data fields will be made mandatory:

- /Invoice/InvoiceRecipient/Address/Street - recipients street and building number

- /Invoice/InvoiceRecipient/Address/Town - recipients town
- /Invoice/InvoiceRecipient/Address/ZIP - recipients zip code
- /Invoice/InvoiceRecipient/Address/Country - recipients country

Within **UBL** (all Versions) the following data fields will be made mandatory:

- /Invoice/AccountingCustomerParty/Party/PostalAddress/StreetName - recipients street and building number
- /Invoice/AccountingCustomerParty/Party/PostalAddress/CityName - recipients town
- /Invoice/AccountingCustomerParty/Party/PostalAddress/PostalZone - recipients zip code
- /Invoice/AccountingCustomerParty/Party/PostalAddress/Country/IdentificationCode - recipients country

## Due dates

As of December 1<sup>st</sup> 2014 the invoice due date as well as the cash back dates may not be in the past. Both fields will stay optional und must not be provided at all.

Within **ebInterface** (all versions) this means that the values

- /Invoice/PaymentConditions/DueDate
- /Invoice/PaymentConditions/Discount/PaymentDate

must be of the transmission date or newer. The invoice date may however differ from the transmission date.

Within **UBL** (all Versions) Für **UBL** this means that the values

- /Invoice/PaymentMeans/PaymentDueDate
- /Invoice/PaymentTerms/SettlementPeriod/EndDate

must be of the transmission date or newer. The invoice date may however differ from the transmission date.

## Change of mail texts

The mail texts of the emails sent to the supplier will be changed by December 1<sup>st</sup> 2014. Please see [http://www.erechnung.gv.at/erb/?p=einvoice\\_data\\_change201412](http://www.erechnung.gv.at/erb/?p=einvoice_data_change201412) for the details.

## Change log

Advices to implemented improvements and adoptions are given on [www.e-rechnung.gv.at](http://www.e-rechnung.gv.at) in the page "Änderungshistorie".

**Mit freundlichen Grüßen**  
**Ihr ER>B-Team**
